## 2023 - 2024

Below are the mandatory evening performances for the 2023-2024 school year. These performances are part of your performance grade in class. Everything except the Spirit of Unity Parade has a **call time of 6:30PM**. If you are unable to attend any of these performances, you need to notify the band director at least three weeks in advance in order to avoid a grade reduction.
